

Greetings Midwest WMS

2021 was another year of Pandemic. We learned a lot more regarding social media and creating ways to remain connected and have fun. I thank God Almighty for how He brought us through this year. Through all emotional, physical, and mental conditions.

My personal prayer and goals for 2022 is to be Better and do Better. I may not have had individual conversations with everyone but I had a conversation with God regarding each and every one of you.

Let us continue to pray for each other and support our young people. We all are on this journey and in this struggle called Life.

My goals for our Conference WMS and YPD is to continue to move forward. To keep God's love in the midst of all that we do. With that, we will thrive and have another successful year.

Stay Safe, Stay Healthy.

Peace, Love and Joy in 2022!

God provides it all!

"Commit thy way unto the Lord; trust also in him; and he shall bring it to pass."  
Psalm 37:5

Love you,

Be a blessing
